Providing A World-Class Education ®

Strategic Plan Goals

- GOAL 1:** All students meet high standards of performance.
- GOAL 2:** The teaching, learning, and working environment is caring, safe and healthy, and values human diversity.
- GOAL 3:** Family and community engagement create an environment focused upon improved student learning and work readiness.
- GOAL 4:** Faculty, staff, and leaders are qualified, high performing, diverse, and motivated.
- GOAL 5:** The organizational system is aligned, integrated, and equitable.

Strategic Goal 1

All students meet high standards of performance.

Objective 1.1

Increase the percent of students who meet or exceed achievement performance levels.

Strategic Measure 1.1.1

Each year, all schools will be fully accredited.

Passing Math SOL Tests

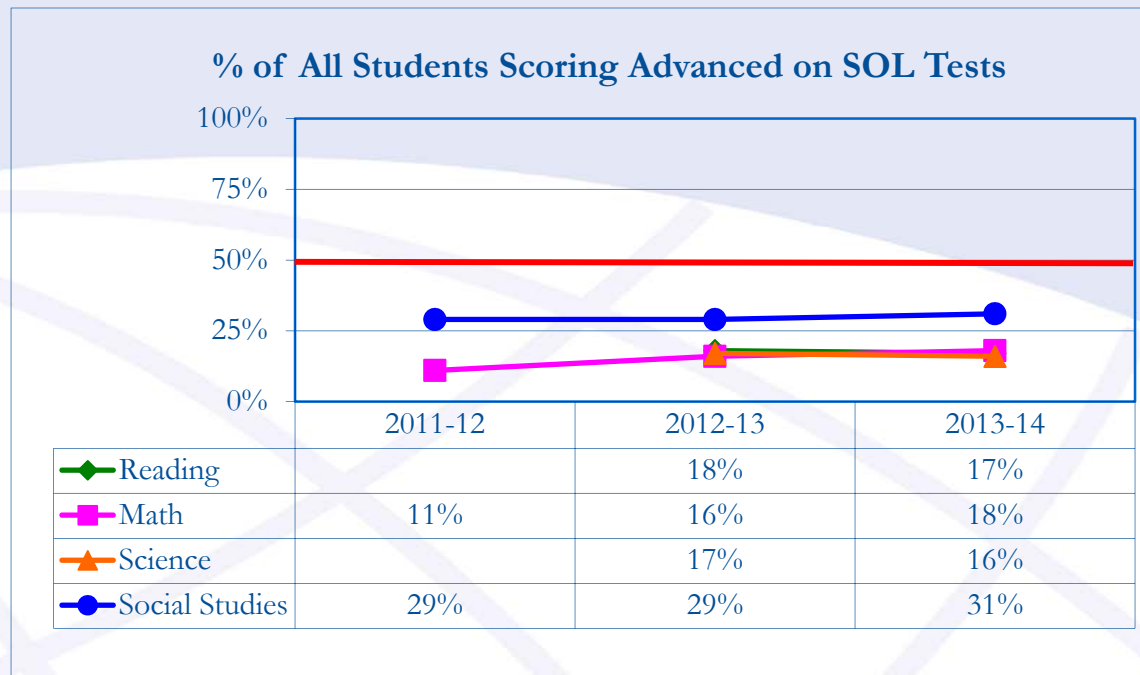

Key: EconDis=Economically Disadvantaged, LEP=Limited English Proficient, SWD=Students with Disabilities

- *PWCS outperformed the state for these groups of students.*

Strategic Measure 1.1.3

Each year, all schools will increase the percent of students scoring at the pass advanced level on the SOL tests, with a goal of 50% in each subject area.

- *The target for this measure increased from 25% in 2010 to 50% by 2015.*
- *Standards and assessments changed for reading and science in 2012-13, therefore no data are shown for 2011-12.*

Strategic Measure 1.1.5

Each year, 40% of graduates will have received a qualifying score on one or more advanced exams (AP, IB, Cambridge).

Strategic Measure 1.1.6

Each year, SAT scores will meet or exceed state and national average scores.

- *PWCS exceeded the national average in 2013-14.*

Strategic Measure 1.1.6

Each year, ACT scores will meet or exceed state and national average scores.

- *PWCS continues to exceed the national average and matched the Virginia average in 2013-14.*

Strategic Goal 1

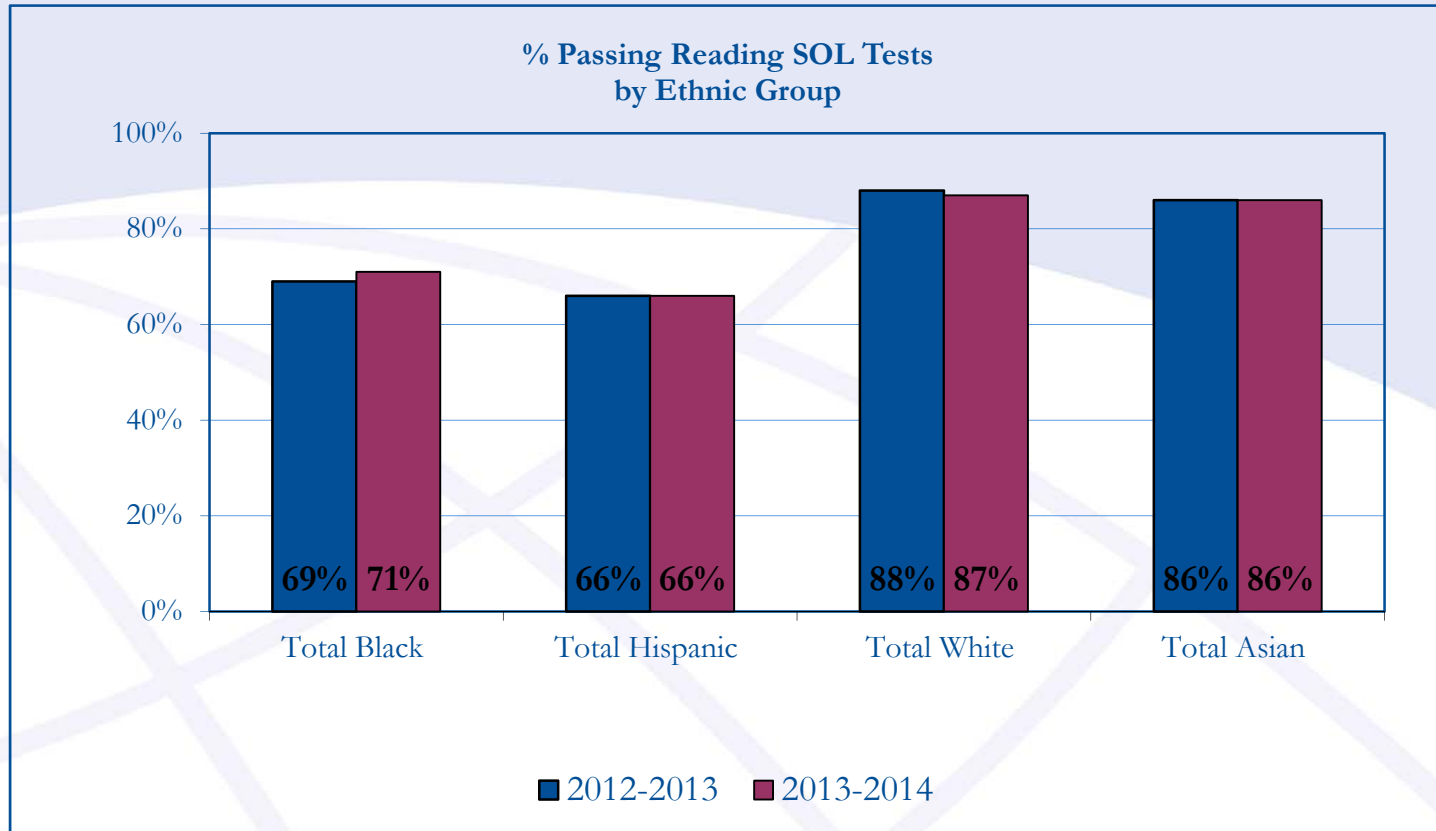

All students meet high standards of performance.

Objective 1.2

Provide equitable access for students to challenging opportunities that will prepare them for the future.

Strategic Measure 1.2

Each year, the achievement gaps among students will be reduced.

Key: EconDis=Economically Disadvantaged, LEP=Limited English Proficient, SWD=Students with Disabilities

Strategic Measure 1.2

Each year, the achievement gaps among students will be reduced.

Strategic Measure 1.2

Each year, the disproportionate representation of students in special education will decrease Divisionwide.

Strategic Measure 1.2

Each year, students will be provided with equal access to and opportunities in the fine and performing arts.

- 96 percent of parents indicated satisfaction with the elementary strings program in spring 2014
- PWCS continues to focus on the scheduling of arts classes at all levels

Objective 1.2

Elementary School Measures

Strategic Measure 1.2.2

Each year, the percent of third-grade students who pass the grade 3 SOL test in reading will increase over the prior year.

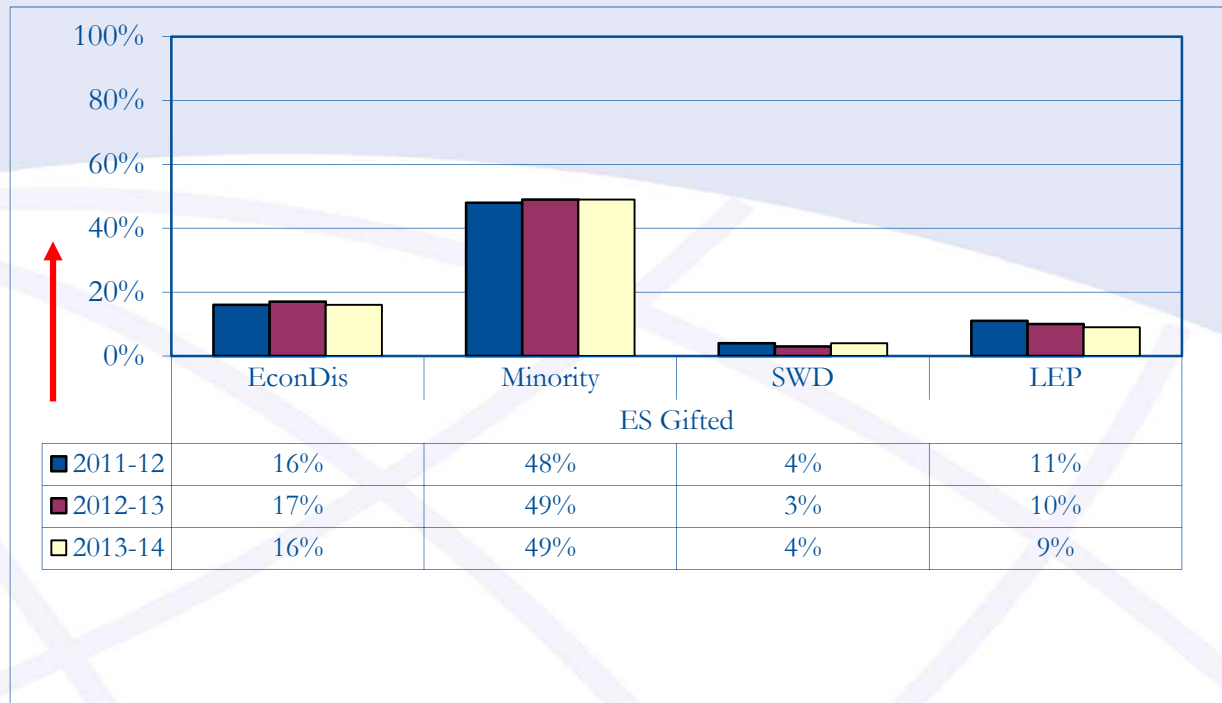

Strategic Measure 1.2.3

Each year, the percent of fifth-grade students scoring at the advanced level on the grade 5 SOL test in mathematics will increase over the prior year.

Strategic Measure 1.2.4

Each year, the percent of disadvantaged, minority, LEP, and special education students participating in gifted programs in elementary school will increase.

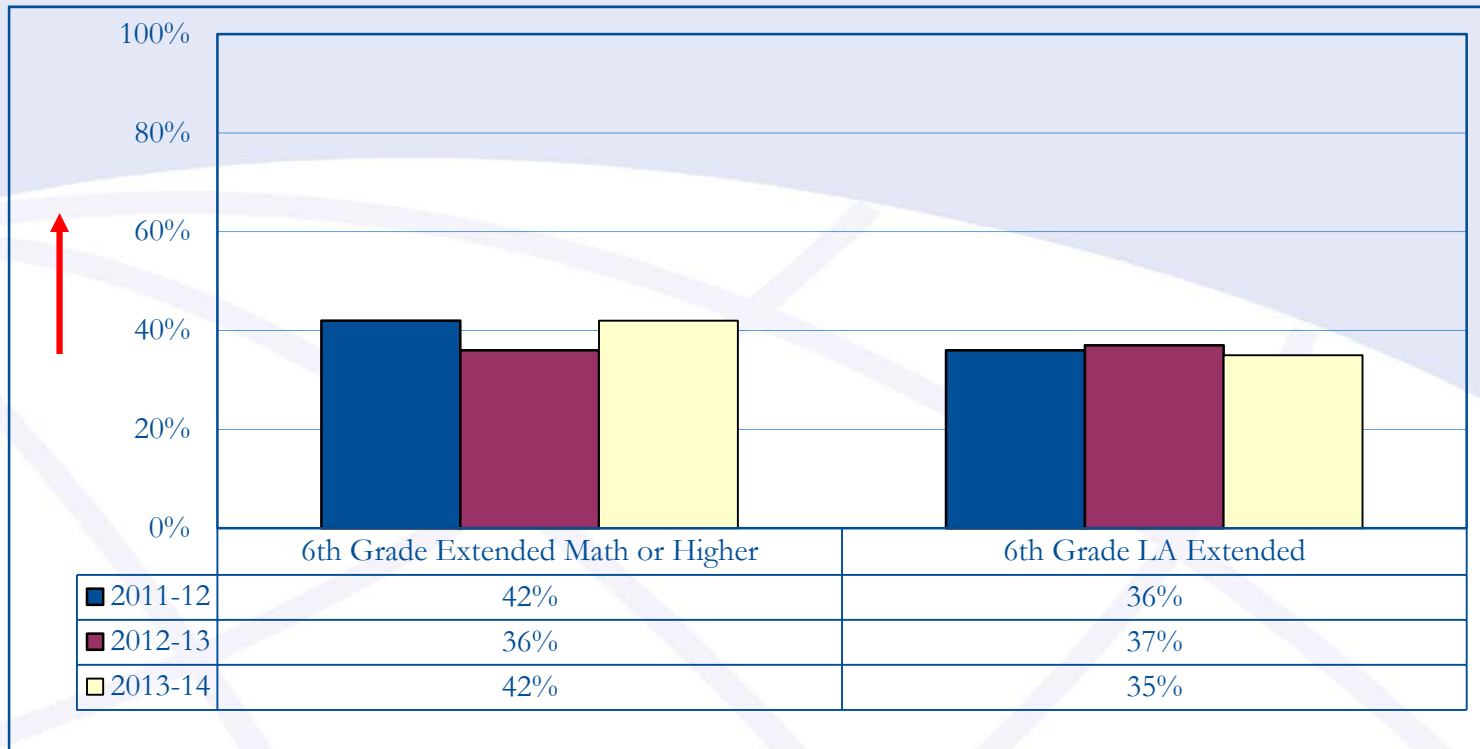

Key: EconDis=Economically Disadvantaged, LEP=Limited English Proficient, SWD=Students with Disabilities

Objective 1.2

Middle School Measures

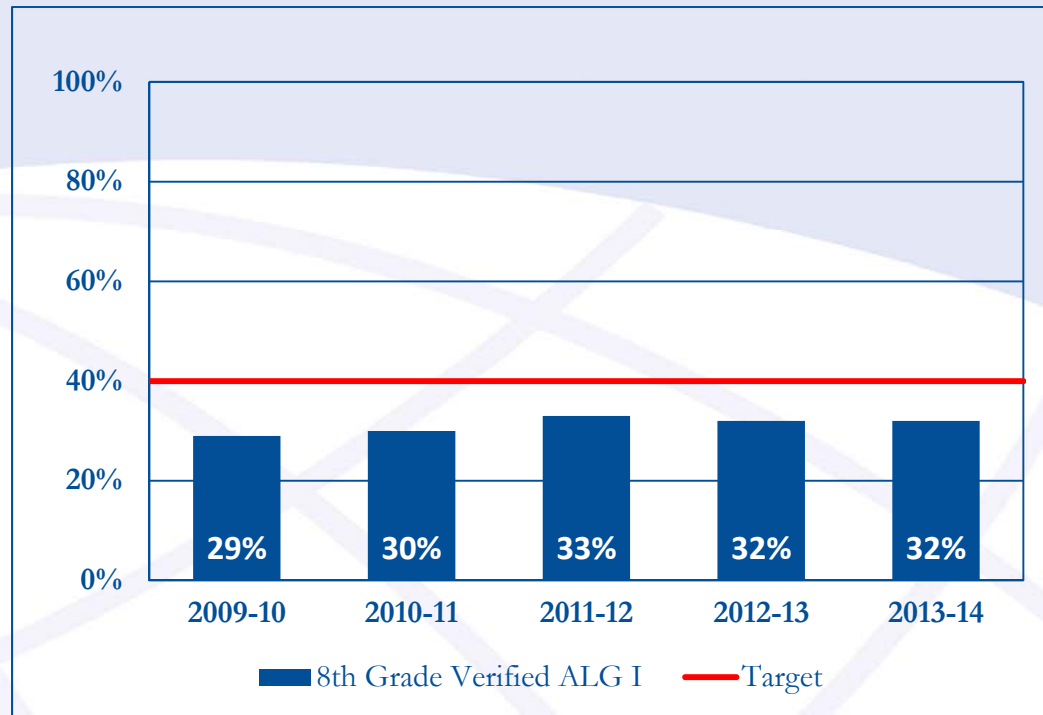

Strategic Measure 1.2.8

Each year, the percent of 6th grade students enrolled in extended math or higher and 6th grade extended language arts will increase.

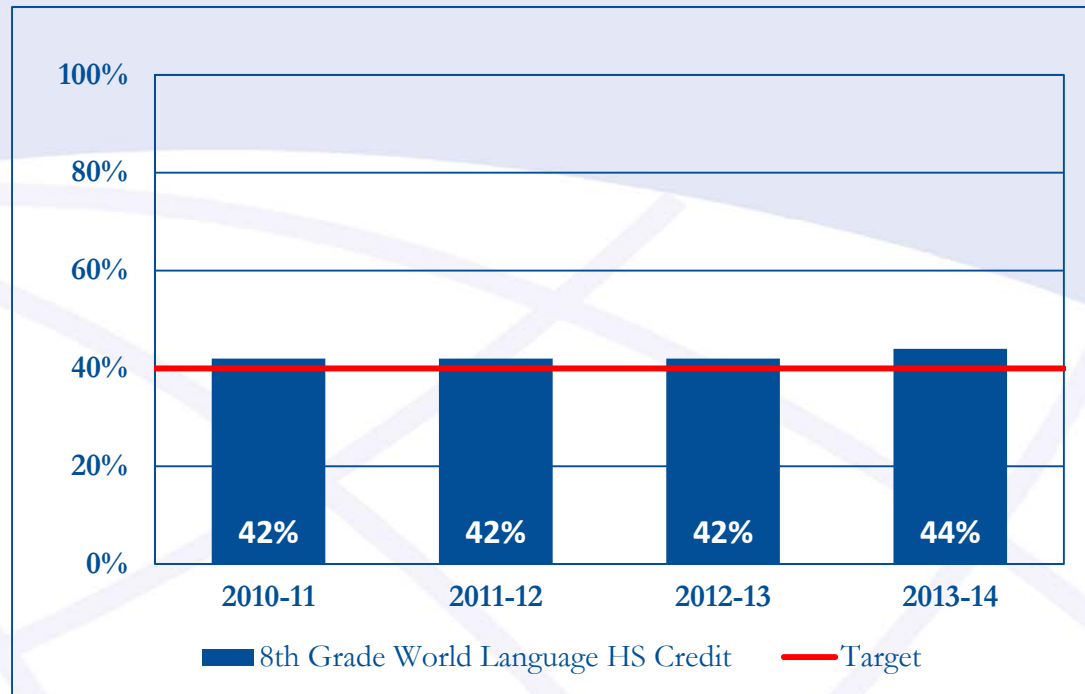

Strategic Measure 1.2.9

By 2015, 40% of 8th grade students will have taken and received a verified credit in Algebra I by the end of their 8th grade year.

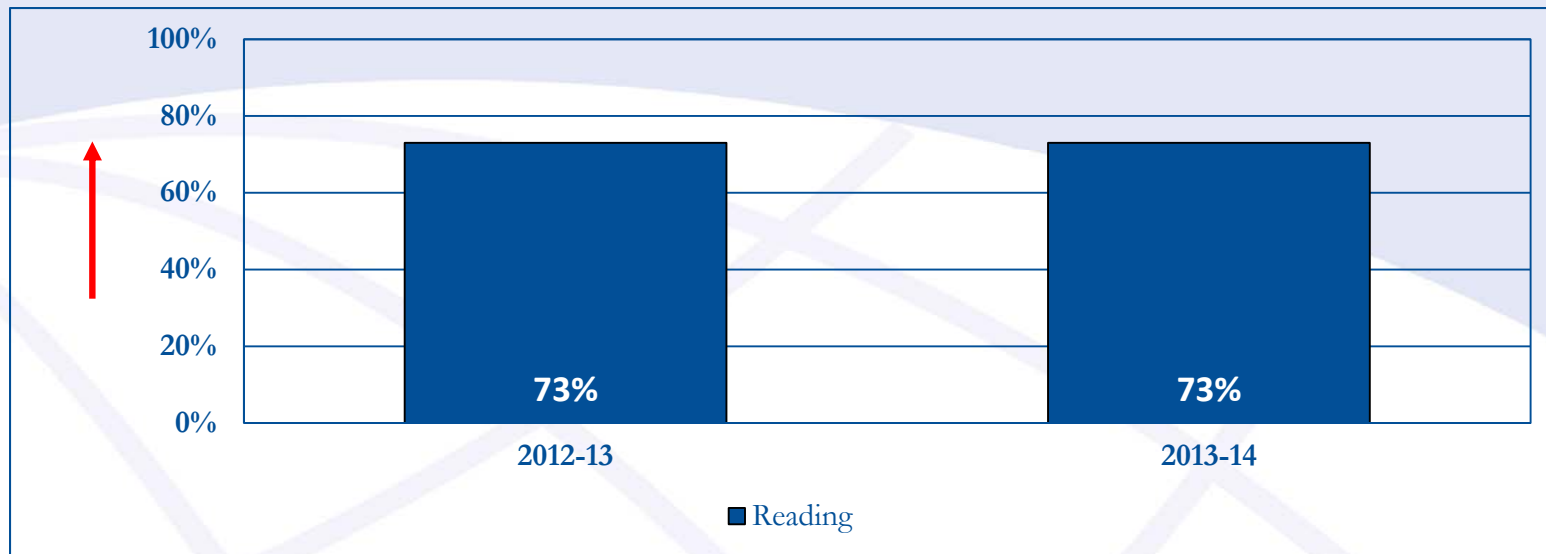

Strategic Measure 1.2.10

By 2015, 40% of 8th grade students will have received high school credit in a world language by the end of their 8th grade year.

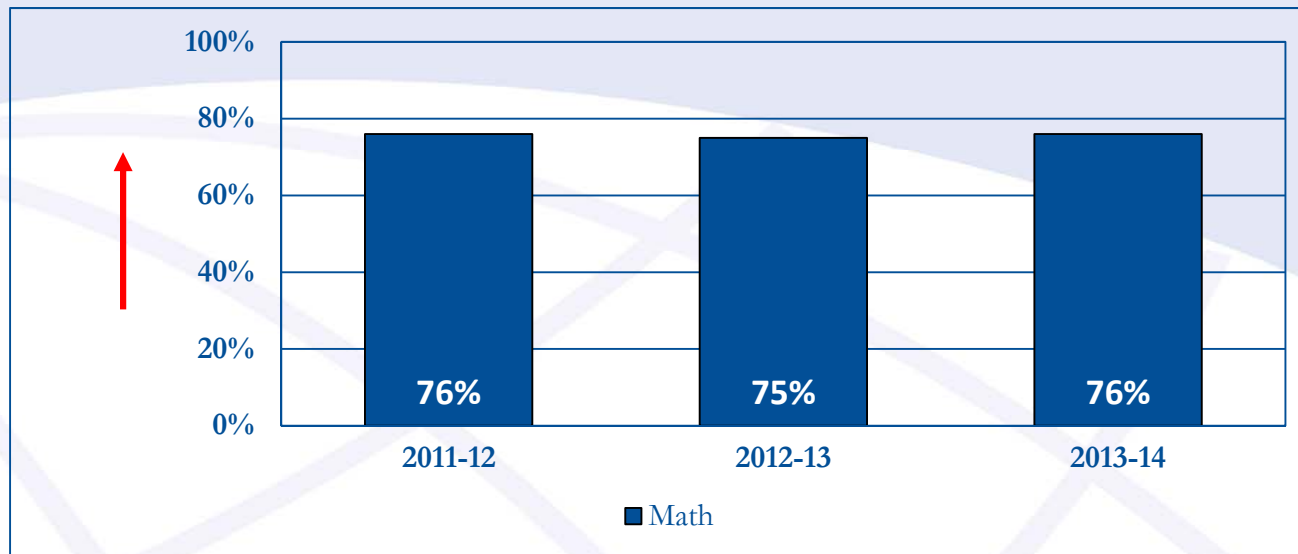

Strategic Measure 1.2.11

Each year, the percent of eighth-grade students who have passed the grade 8 reading and math SOL tests by the end of their eighth grade year will increase over the prior year.

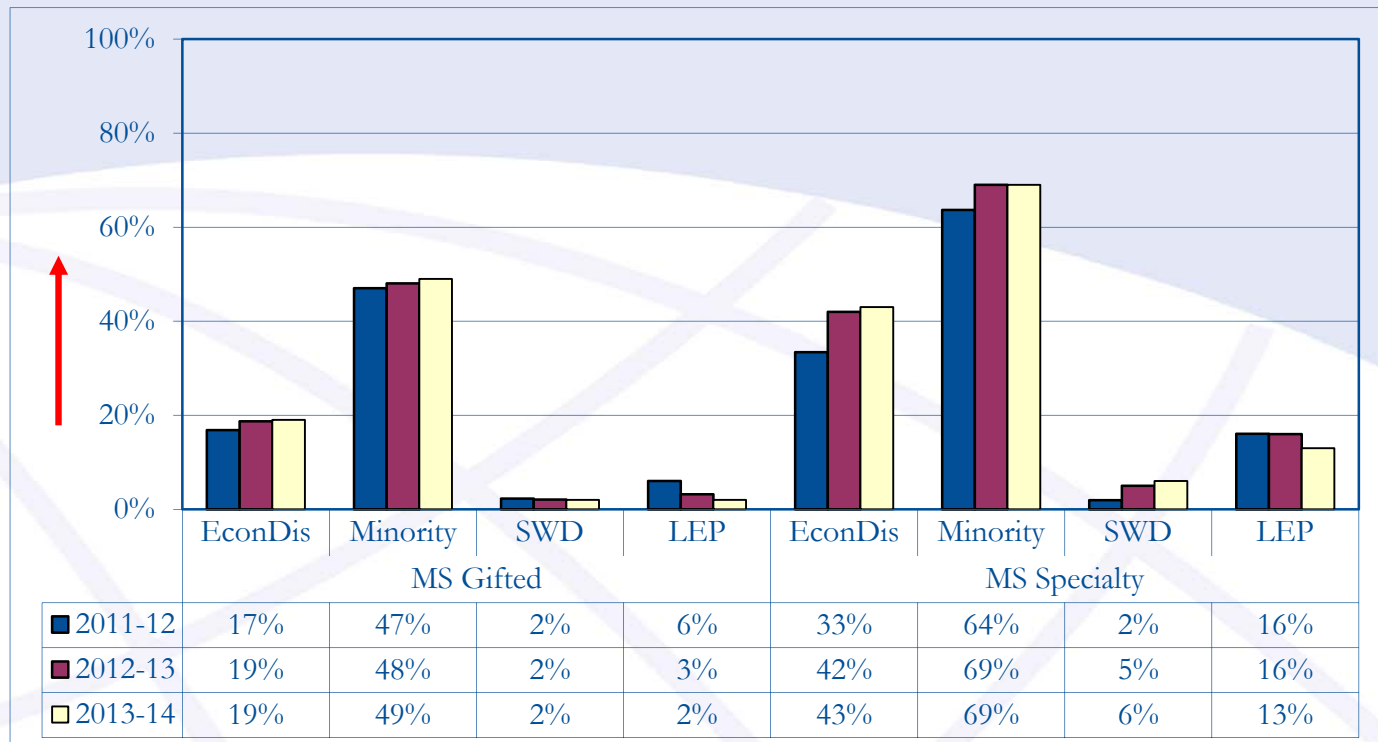

Strategic Measure 1.2.11

Each year, the percent of eighth-grade students who have passed the grade 8 reading and math SOL tests by the end of their eighth grade year will increase over the prior year.

Strategic Measure 1.2.12

Each year, the percent of disadvantaged, minority, LEP, and special education students participating in gifted and specialty programs in middle school will increase.

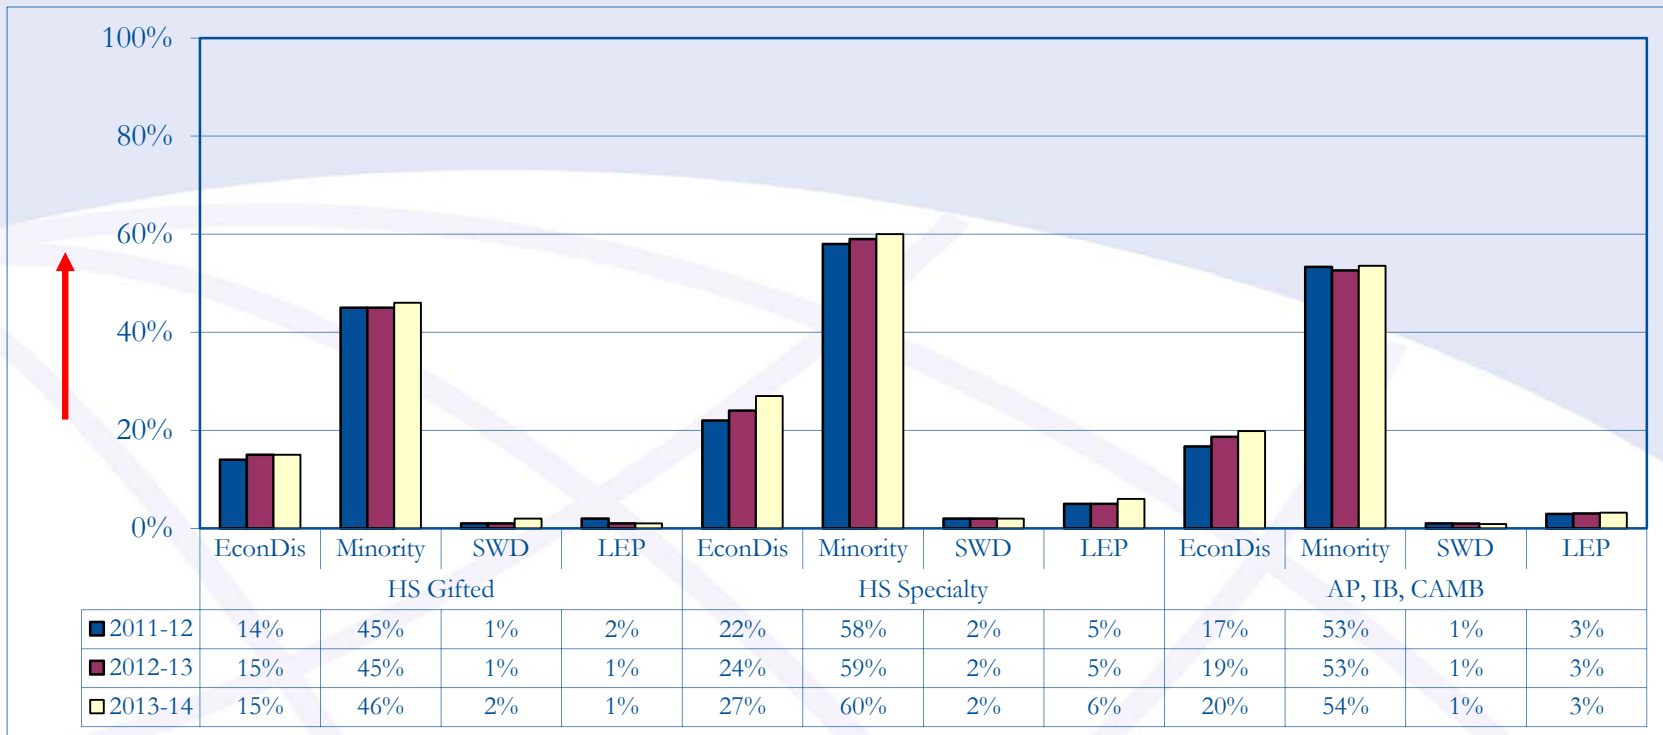

Key: EconDis=Economically Disadvantaged, LEP=Limited English Proficient, SWD=Students with Disabilities

Objective 1.2

High School Measures

Strategic Measure 1.2.16

Each year, the percent of disadvantaged, minority, LEP, and special education students participating in gifted and specialty programs and/or taking AP, IB, or AICE courses in high school will increase.

Key: EconDis=Economically Disadvantaged, LEP=Limited English Proficient, SWD=Students with Disabilities

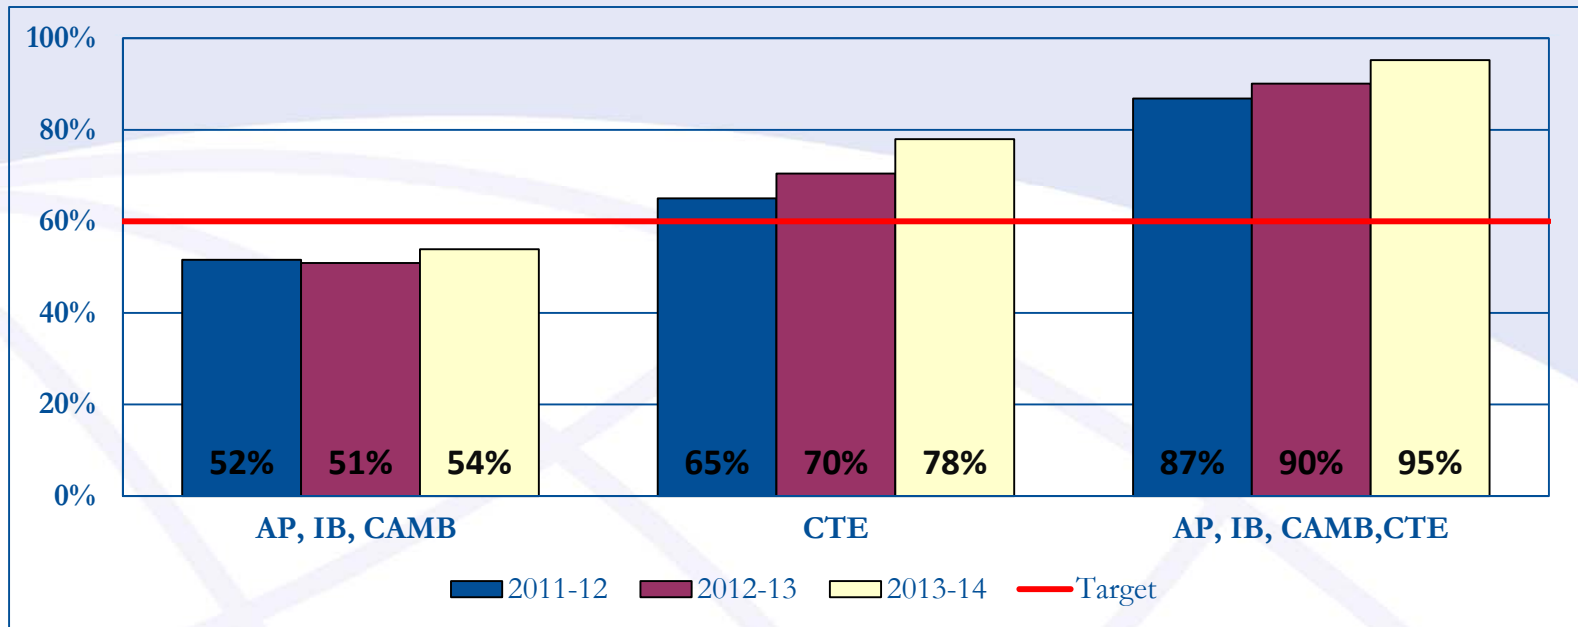

Strategic Measure 1.2.19

Each year, the percent of 9th grade students passing courses in all four core areas will increase.

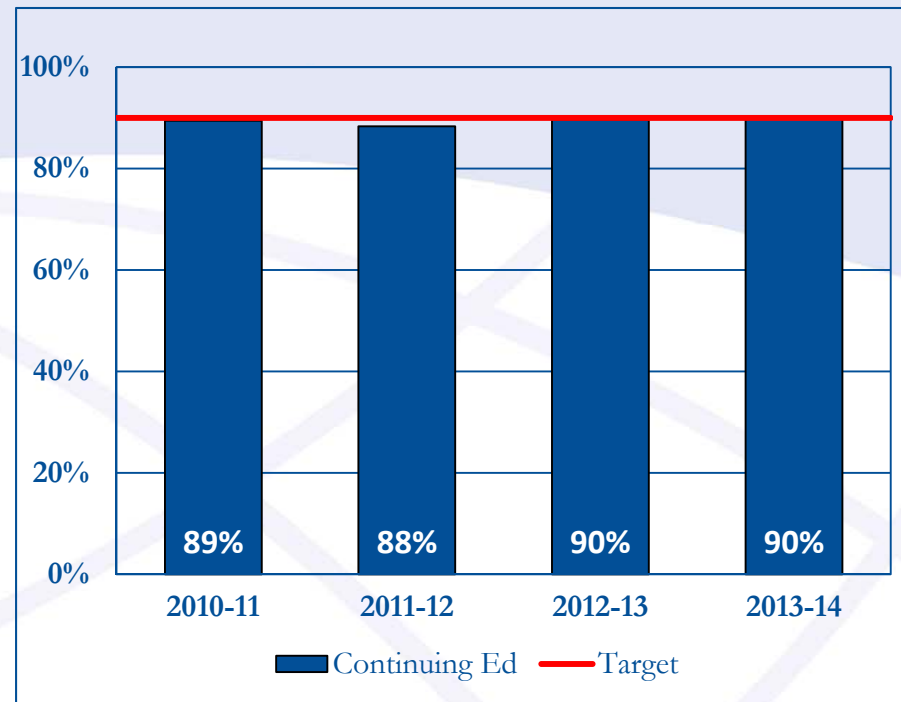

Strategic Measure 1.2.20

By 2015, 60% of graduates will have taken an AP, IB, or AICE course, or a course with certification or licensing in a recognized industry, trade, or profession.

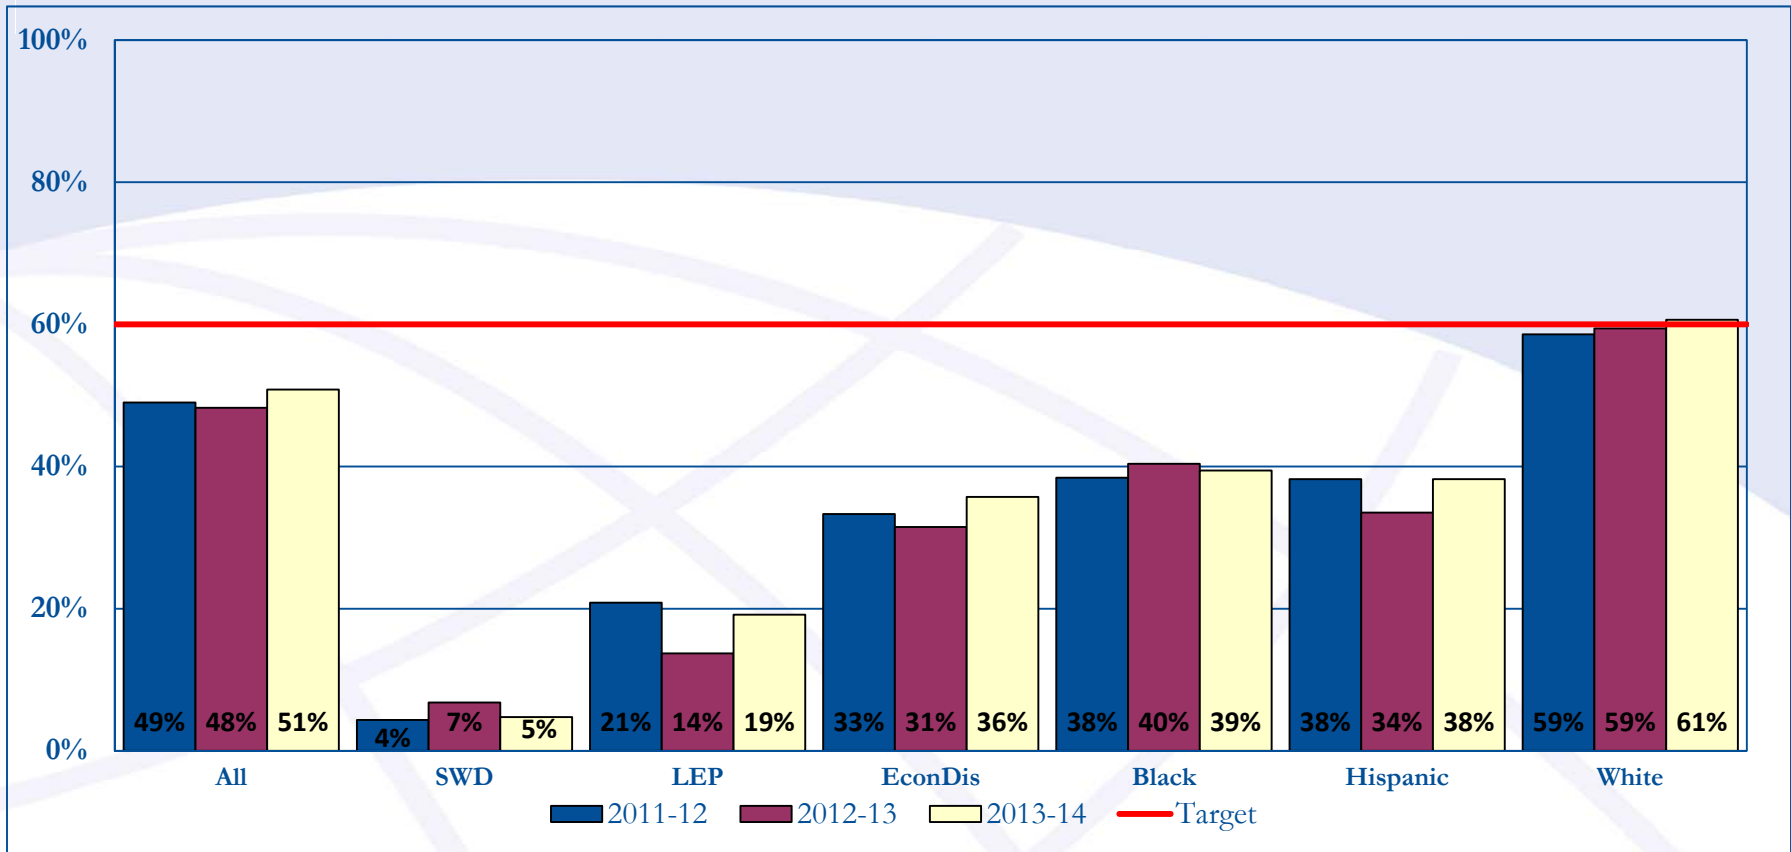

Strategic Measure 1.2.21

Each year, 90% of all graduates will pursue continuing education.

Strategic Measure 1.2.22

Each year, the percent of graduates earning an Advanced Studies Diploma will increase from the prior year, with a goal of 60% overall.

Key: EconDis=Economically Disadvantaged, LEP=Limited English Proficient, SWD=Students with Disabilities

Strategic Measure 1.2.23

By 2015, 65% of graduates will earn diploma seals.

Strategic Goal 1

All students meet high standards of performance.

Objective 1.3

Increase the percent of students who attend school regularly and graduate in a timely manner.

Strategic Measure 1.3.1

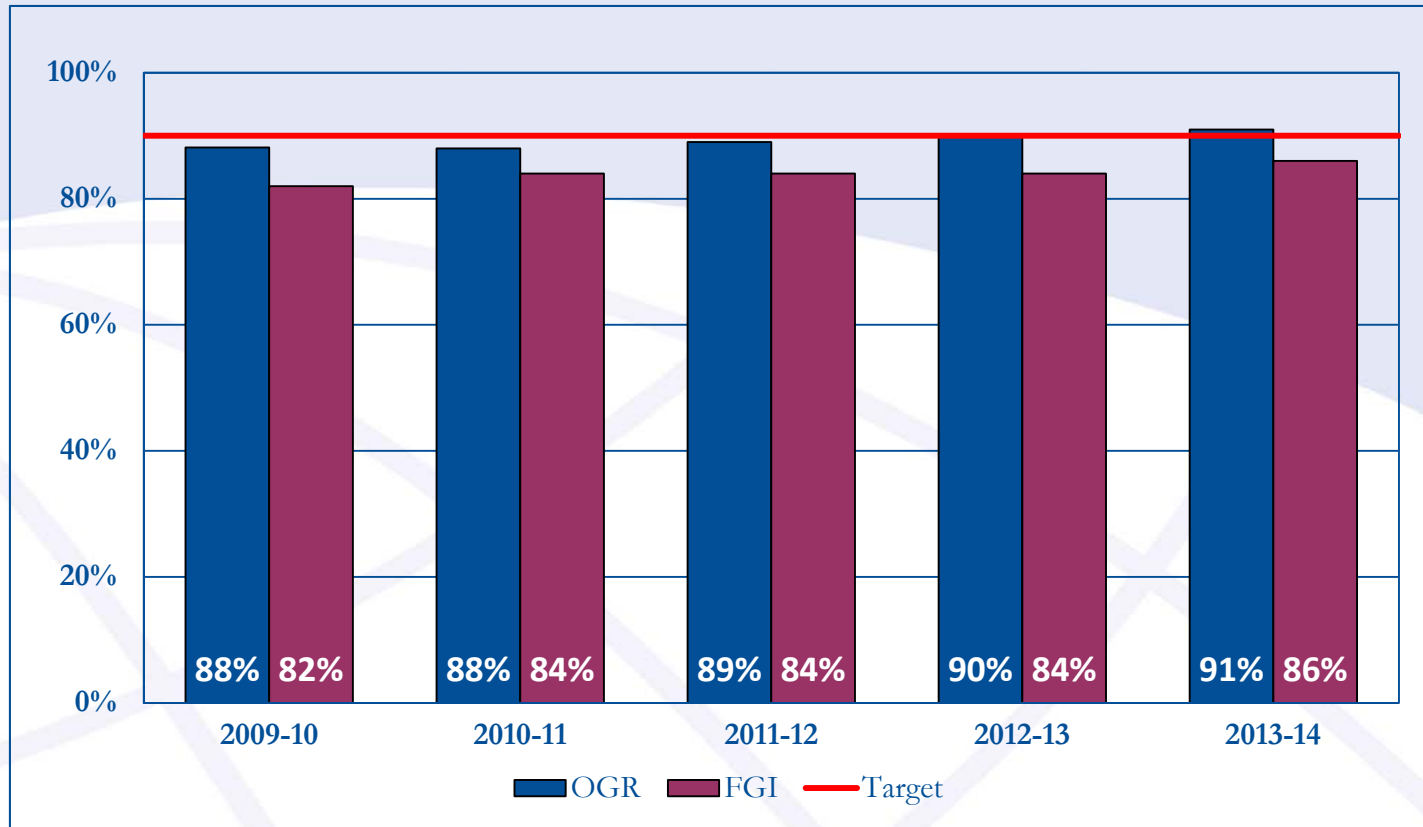

Each year, the average daily attendance (ADA) for individual schools and the Division will be at least 95%.

- In 2013-14, 79 out of 86 schools met the 95% ADA target.

Strategic Measure 1.3.2

Each year, 90% of 12th grade students will graduate within four years of beginning 9th grade.

Key: OGR= On-Time Graduation Rate, FGI=Federal Graduation Indicator

Strategic Goal 2: Climate

The teaching, learning, and working environment is caring, safe and healthy, and values human diversity.

Strategic Measure 2.2.1

Each year, 98% of students will have fewer than 10 "Code of Behavior" violations.

Strategic Measure 2.2.2

Each year, disproportionate discipline referrals will decrease Divisionwide.

- Overall, the percent of students with discipline referrals continues to decrease.

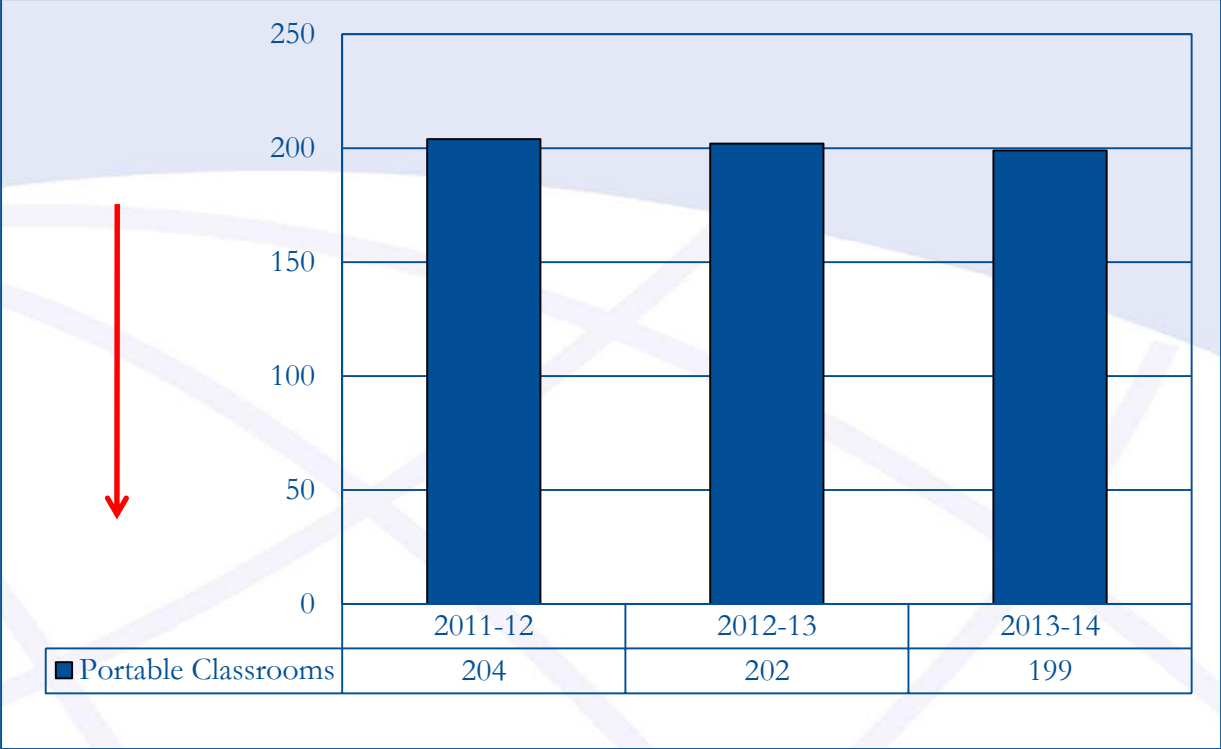

Strategic Measure 2.2.3

Each year, 85% of students will meet Virginia wellness requirements.

Strategic Measure 2.3.2

Each year, the number of trailers will be reduced so that students are housed in permanent facilities.

Strategic Goal 4: Qualified Work Force

Faculty, staff, and leaders are qualified, high performing, diverse, and motivated.

Strategic Measure 4.1.1

Each year, all students will be taught by highly qualified teachers.

Strategic Measure 4.1.2

By 2015, the number of National Board Certified Teachers will be 1 per 500 students.

* Teachers who had completed the NBCT certification as of September 30.

Strategic Measure 4.4.2

Each year, the teacher turnover rate will be no more than 12%.

Additional Goal 4 Measures

- Employees complete annual professional development and growth plans (4.2.1)
- In 2013-14, 84% of first-year teachers were provided with mentors matched to their endorsement area, with remaining first-year teachers matched as closely as possible (4.2.2)
- In 2013-14, 92% of new teachers received mentoring from mentors participating in the PWCS Mentor Institute (4.2.2), which focuses on collaborative mentoring
- In 2013-14, 100% of employees were evaluated through a standards-based performance evaluation system (4.2.3)
- PWCS salary and benefit packages are competitive within Northern Virginia, according to WABE (4.4.1)

Strategic Goal 5: Organizational Alignment

*The organizational system is aligned,
integrated, and equitable.*

Strategic Measure 5.2.2

Each year, funding for renovations/renewals will average 3 percent of replacement value of all facilities.

Year	% Value
FY 2014	3.1%
FY 2015	3.4%
FY 2016	2.2%
FY 2017	3.4%
FY 2018	2.2%
FY 2019	3.4%
FY 2020	2.2%

- On average, PWCS is meeting this target.

Goal 5 Measures

- School and department plans align with the Strategic Plan (5.1.1)
- Schools and departments meet or exceed State and School Board staffing ratios (5.2.1)
- Funding ratios are reviewed annually to ensure needs are met (5.2.3)
- PWCS receives an annual unqualified opinion on the Appropriated Fund Audit (5.3.1)
- PWCS maintained an end-of-year positive fund balance in FY 2014 (5.3.2)

Satisfaction Survey Measures

Satisfaction Survey (1.4.1)

Each year, 85% of stakeholders will be satisfied with the quality of the instructional program.

Satisfaction Survey (2.4.1)

Each year, 80% of students will be satisfied with the teaching and learning environment.

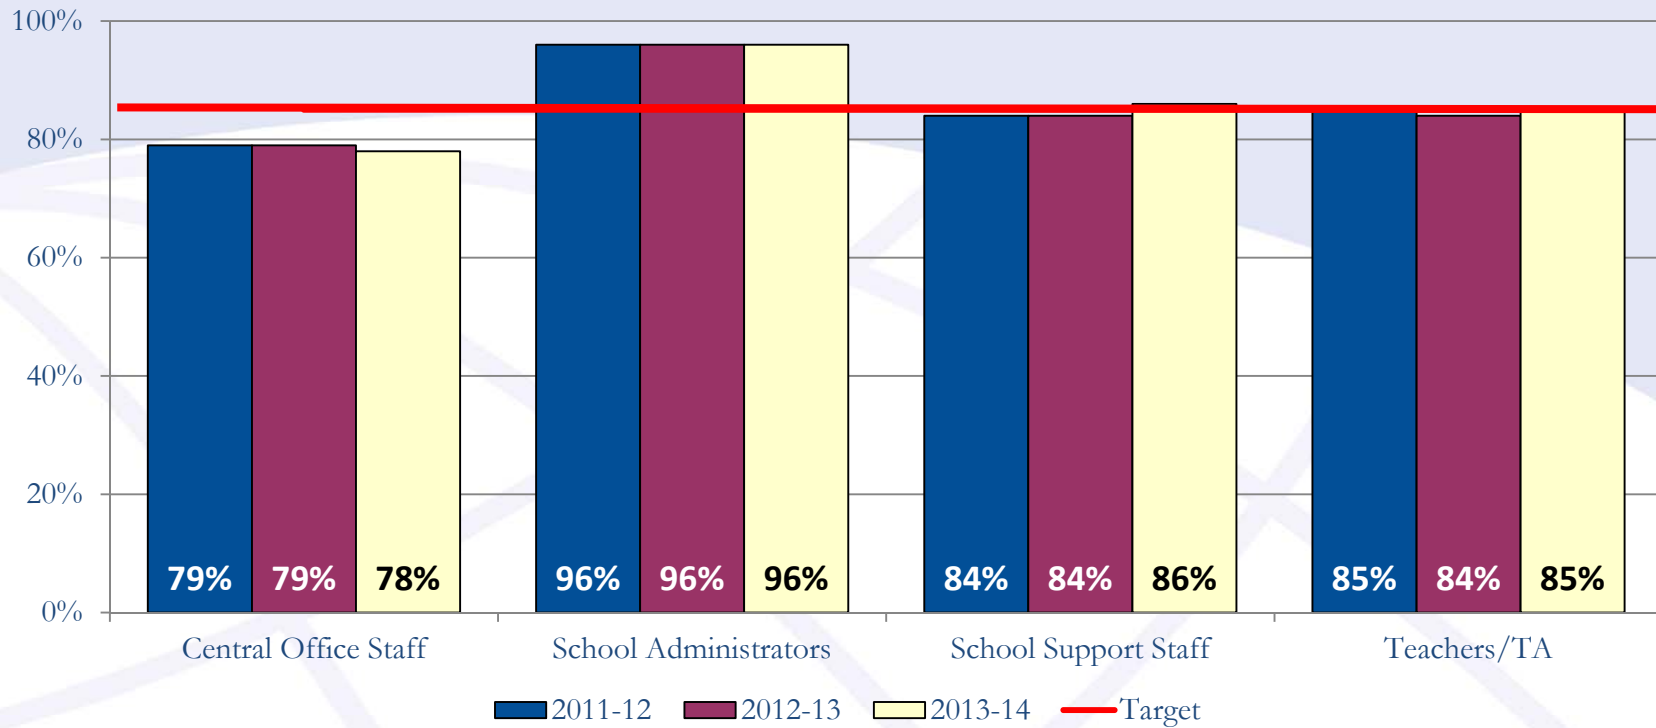

Satisfaction Survey (2.4.2)

Each year, 85% of stakeholders will be satisfied with the teaching, learning, and working environment.

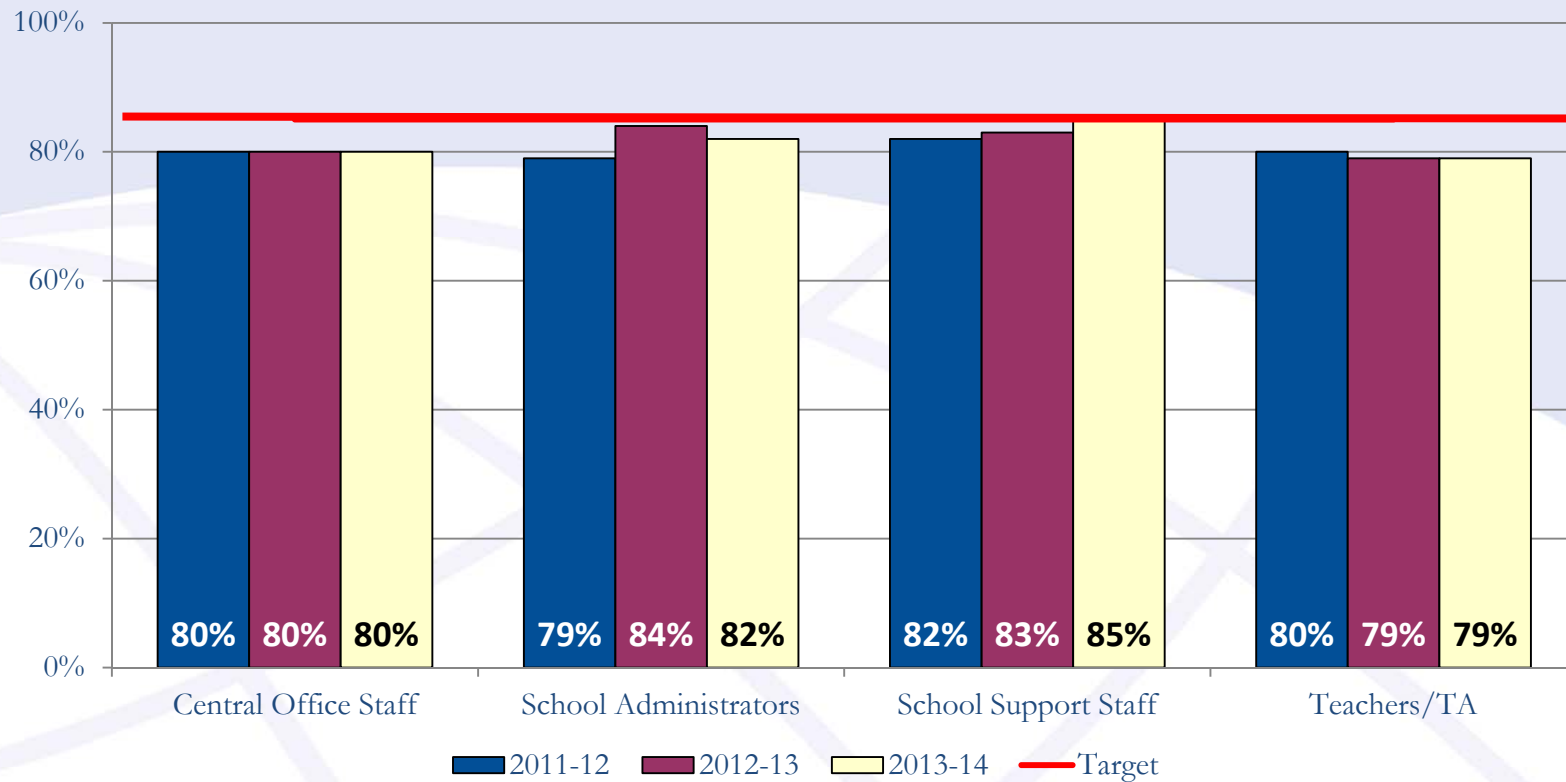

Satisfaction Survey (4.5.2)

Satisfaction Survey (5.4.1)

Each year, 85% of customers will be satisfied with the quality of central office services.

Satisfaction Survey (5.4.2)

Each year, 85% of customers will be satisfied with the overall quality of the School Division.

Final Thoughts

- We must continue our focus on student learning and continuous improvement
- We will continue to adapt to changing state and federal accountability requirements
- We will continue to work together to accomplish our Strategic Plan
- We must remain dedicated to our mission
– *Providing a World-Class Education*
