The screenshot shows a login interface with a dark grey header containing a 'LOGIN' button and a logo. Below the header, there are two input fields: 'Username' and 'Password'. A blue 'LOGIN' button is located at the bottom right of the form area.

Having trouble logging in? Try the following at <https://our.pwcs.edu>:

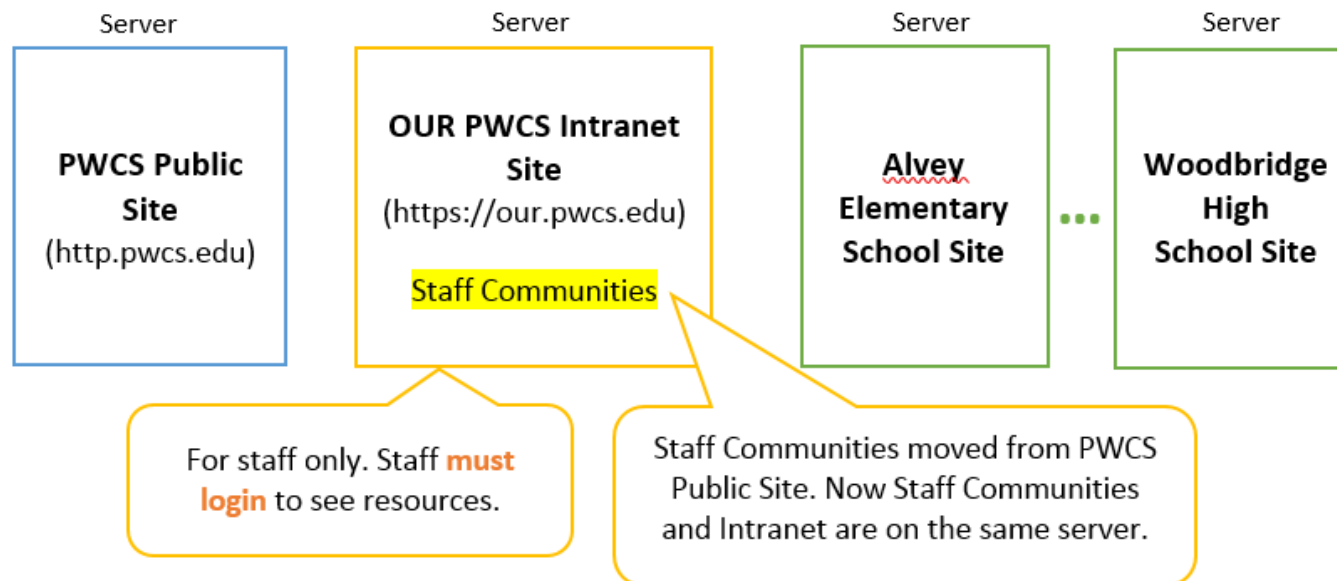

1. Your **Username** and **Password** are your **PWCS network credentials**. It's what you use to log in to your computer. For example, if your email address is StaffPW@pwcs.edu, the Username is **staffpw**. (Omit @pwcs.edu.)
2. If you try logging with Internet Explorer and get an "ACCESS DENIED" message,
 - a. Close all Internet Explorer windows, do **NOT** go to Public PWCS website, and enter <https://our.pwcs.edu>.
 - b. **OR** open a page using Google Chrome and try again.
3. Still can't log in? Verify your PWCS credentials. If they don't work, you will need to reset your password using **PWCS Password Self-Service Tool**.
 - **School Staff**: Contact your TSSPEC / ITC.
 - **Central Office**: Contact Help Desk, 703.791.8826.

I tried both Internet Explorer and Chrome, but I still can't log in?

- Verify that you are logging in at <https://our.pwcs.edu>
