Having trouble logging in? Try the following at our.pwcs.edu:

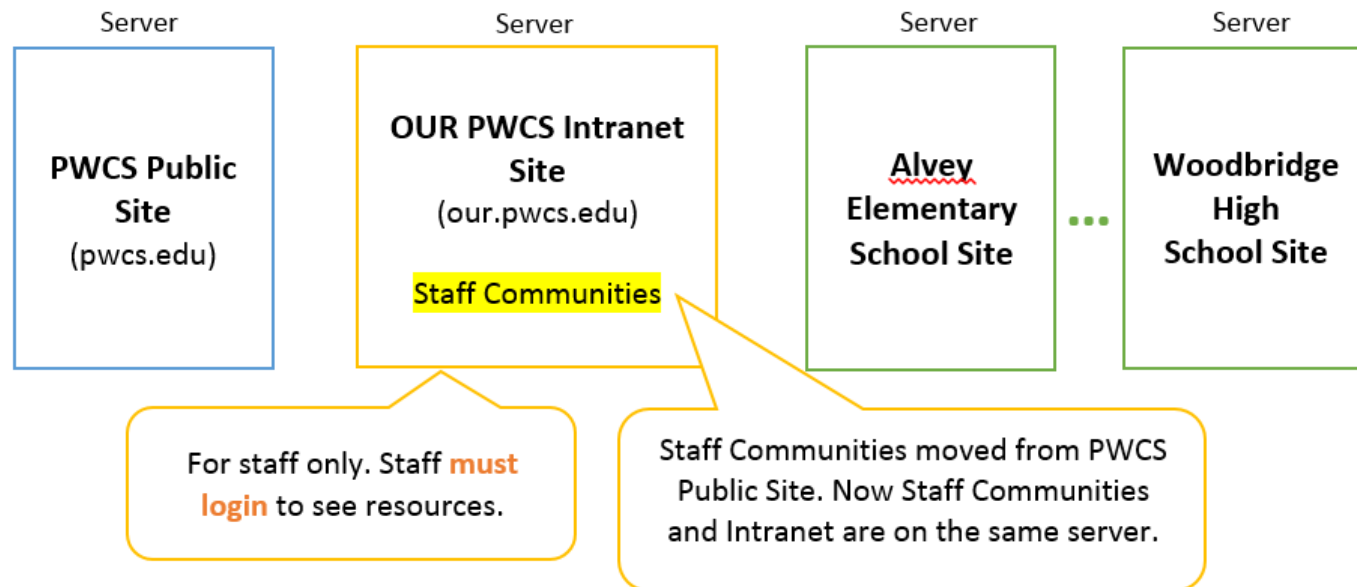

1. Your **Username** and **Password** are your **PWCS network credentials**. It's what you use to log in to your computer. For example, if your email address is StaffPW@pwcs.edu, the Username is **staffpw**. (Omit @pwcs.edu.) **NOTE**: Old School Fusion logins do not work.
2. If you try logging with Internet Explorer and get an “INVALID CREDENTIALS” message, please open a page using Google Chrome and try again.
3. Still can't log in? Verify your PWCS credentials. If they don't work, you will need to reset your password.
 - **School Staff**: Contact your TSSPEC / ITC.
 - **Central Office**: Contact Help Desk, 703.791.8826.

I tried both Internet Explorer and Chrome, but I still can't log in?
